L'te in the Paris Sewers Is possible, for a short time to the robust, but the majority of refined persons would prefer immediate death to existence in their reeling atmosphere. How much more revolting to be in one's self a living sewer. But this is actually the case with those in whom the inactivity of the liver drives the refuse matter of the body to escape through the lungs, breath, the pores, kidneys and bladder. It is astonishing that life remains in such a dwelling. Dr. Pierce's "Golden Medical ing. Dr. Pierce's Council purity to Discovery" restores normal purity to the system and renews the whole
